35th ANNIVERSARY

Professional Care Management Services

We understand how stressful and overwhelming caregiving can be. We are familiar with local resources such as home care, assisted living and skilled nursing facilities and provide unbiased recommendations tailored to the needs and budgets of our clients. Aging Well Eldercare offers practical solutions our clients can trust!

Our care management services are flexible to meet a variety of needs and include:

- ❖ In-home comprehensive assessments
- ❖ Video/Office consultations
- ❖ Coordination of medical appointments
- ❖ Communication with medical professionals
- ❖ Medication management oversight
- ❖ Expert patient advocacy and assistance with discharge planning
- ❖ Transition to memory care or other alternate housing
- ❖ Navigation of complex family dynamics when they arise
- ❖ Arrangement and coordination of related services including:
 - in-home caregivers
 - legal and financial advisors
 - transportation
 - home safety and maintenance
 - daily money managers, personal organizers and move managers
 - physical, occupational and speech therapy

**We Are Like Wedding
Planners For
Aging Well.™**

Independently owned and operated since 1988, our dedicated team of Aging Life Care managers provides individualized support and expert guidance to older adults facing the challenges of aging or disability, and their families.

Our knowledgeable team of seasoned nurses, social workers and gerontologists supports families and professionals caring for older adults, using their expertise and understanding of the aging process and chronic illnesses to guide our clients towards practical solutions with confidence and compassion.
